《我的學校一天》

A Day at My School

我每天早上七點起床，八點到學校。第一節課通常是中文課，老師會讓我們做閱讀練習。課間休息時，我會和朋友聊天或到操場走一走。午飯後，我們有兩節選修課，可以選音樂、電腦或體育。我最喜歡體育課，因為可以放鬆一下。放學後，我常常留在圖書館做功課，因為那裡很安靜。我覺得我的學校生活雖然忙碌，但非常充實。

I wake up at 7 a.m. and arrive at school at 8. The first lesson is usually Chinese, where the teacher gives us reading practice. During break time, I chat with friends or walk around the playground. After lunch, we have two elective lessons such as music, computer studies, or PE. My favourite is PE because it helps me relax. After school, I often stay in the library to do homework because it is quiet. I think my school life is busy but fulfilling.
